

# German Bulavkin

## Contacts

**Location:** Serbia, Novi Sad  
**Mobile:** +381621257346  
**E-mail:** thewhitehaven04@gmail.com  
**Portfolio:** <https://gbulavk.in>  
**GitHub:** [github.com/thewhitehaven04](https://github.com/thewhitehaven04)

## Front-end engineer

Front-end engineer enthusiastic about web application performance, JavaScript language and library internals, and delivering quality software. Experienced in working in international teams. Fluent in English. My vast background in quality assurance will help you bridge the gap in understanding between development and testing.

## Experience

March 2024 - December 2024

### Junior Frontend Developer

**Stenn International** (Fintech)

Developed back-office tooling for automation of compliance- and fraud reviews

Migrated the product's team features to the internal design system UI kit

April 2020 - November 2022

### QA Automation Engineer

**IBS Appline**

Performed UI and API testing of web- and SAP-based applications

December 2022 - February 2024

### QA Automation Engineer

**Stenn International** (Fintech)

Conducted automated testing of user interfaces and APIs (pytest + Selenium)

Optimised the product team's testing practices and coverage

July 2019 - February 2020

### Junior QA Engineer

**Bytex LLC**
